*C B Circular No. 6/94*

TO: *ALL Commercial Banks*  
: *Department of Customs & Excise*  
: *Airlines operating in Zambia*

*Dear Sirs,*

**CURRENCY DECLARATION**

*It has come to our notice that some passengers leaving the country have been subjected to making declarations on currencies and other valuables in a manner which is not consistent with the existing regulations which came into force following the suspension of the Exchange Control Act by the Minister of Finance in January this year.*

*We wish to advise that the current Government policy is that Exchange Controls are totally abolished with the exception of the servicing of debt incurred before January 28th 1994, as explained in our C B Circular No.3/94. People are therefore free to bring in and to take out of the country any amounts of money. However, amounts exceeding the equivalent of US \$5,000 which are being brought in or taken out of the country should be declared to Customs. A suggested Form for declaring these amounts is attached and Customs should arrange for its reproduction and its distribution to all Customs points.*

*Please bring the contents of this Circular to the travelling public.*

*Yours sincerely,*
