The Confirmation shall describe the Purchased Securities (ISIN or other identifying number or numbers, if any), identify Buyer and Seller and set forth -

In the event of any conflict between the terms of such Confirmation and this Agreement, the Confirmation shall prevail in respect of that Transaction and those terms only.

- 3.3. On the Purchase Date for a Transaction, Seller shall transfer the Purchased Securities to Buyer or its agent against the payment of the Purchase Price by Buyer.
- 3.4. Termination of a Transaction will be effected, in the case of on demand Transactions, on the date specified for Termination in such demand, and, in the case of fixed term Transactions, on the date fixed for Termination.
- 3.5. In the case of on demand Transactions, demand for Termination shall be made by Buyer or Seller, by telephone or otherwise, and shall provide for Termination to occur after not less than the minimum period as is customarily required for the settlement or delivery of money or Equivalent Securities of the relevant kind.
- 3.6. On the Repurchase Date, Buyer shall transfer to Seller or its agent Equivalent Securities against the payment of the Repurchase Price by Seller (less any amount then payable and unpaid by Buyer to Seller pursuant to paragraph 5).

4. Margin Maintenance

- 4.1. If at any time either party has a Net Exposure in respect of the other party it may by notice to the other party require the other party to make a Margin Transfer to it of an aggregate amount or value at least equal to that Net Exposure.
- 4.2. A notice under sub-paragraph 4.1 above may be given orally or in writing.
- 4.3. For the purposes of this Agreement a party has a Net Exposure in respect of the other party if the aggregate of all the first party's Transaction Exposures plus any amount payable to the first party under paragraph 5 but unpaid less the amount of any Net Margin provided to the first party exceeds the aggregate of all the other party's Transaction Exposures plus any amount payable to the other party under paragraph 5 but unpaid less the amount of any Net Margin provided to the other party; and the amount of the Net Exposure is the amount of the excess. For this purpose any amounts not denominated in the Base Currency shall be converted into the Base Currency at the Spot Rate prevailing at the relevant time.
- 4.4. To the extent that a party calling for a Margin Transfer has previously paid Cash Margin which has not been repaid or delivered Margin Securities in respect of which Equivalent Margin Securities have not been delivered to it, that party shall be entitled to require that such Margin Transfer be satisfied first by the repayment of such Cash Margin or the delivery of Equivalent Margin Securities but, subject to this, the composition of a Margin Transfer shall be at the option of the party making such Margin Transfer.
- 4.5. Any Cash Margin transferred shall be in the Base Currency or such other currency as the parties may agree.
- 4.6. A payment of Cash Margin shall give rise to a debt owing from the party receiving such payment to the party making such payment. Such debt shall bear interest at such rate, payable at such times, as may be specified in Annex I hereto in respect of the relevant currency or otherwise agreed between the parties, and shall be repayable subject to the terms of this Agreement.
- 4.7. Where Seller or Buyer becomes obliged under sub-paragraph 4.1 above to make a Margin Transfer, it shall transfer Cash Margin or Margin Securities or Equivalent Margin Securities within the minimum period specified in Annex I hereto or, if no period is there specified, such minimum period as is customarily required for the settlement or delivery of money, Margin Securities or Equivalent Margin Securities of the relevant kind.

- 4.8. The parties may agree that, with respect to any Transaction, the provisions of sub-paragraphs 4.1 to 4.7 above shall not apply but instead that margin may be provided separately in respect of that Transaction in which case -
- i. that Transaction shall not be taken into account when calculating whether either party has a Net Exposure;
 - ii. margin shall be provided in respect of that Transaction in such manner as the parties may agree; and
 - iii. margin provided in respect of that Transaction shall not be taken into account for the purposes of sub-paragraphs 4.1 to 4.7 above.
- 4.9. The parties may agree that any Net Exposure which may arise shall be eliminated not by Margin Transfers under the preceding provisions of this paragraph but by the repricing of Transactions under sub-paragraph 4.10 below, the adjustment of Transactions under sub-paragraph 4.11 below or a combination of both these methods.
- 4.10. Where the parties agree that a Transaction is to be repriced under this sub-paragraph, such repricing shall be effected as follows -
- i. the Repurchase Date under the relevant Transaction (the "Original Transaction") shall be deemed to occur on the date on which the repricing is to be effected (the "Repricing Date");
 - ii. the parties shall be deemed to have entered into a new Transaction (the "Repriced Transaction") on the terms set out in (iii) to (vi) below;
 - iii. the Purchased Securities under the Repriced Transaction shall be Securities equivalent to the Purchased Securities under the Original Transaction;
 - iv. the Purchase Date under the Repriced Transaction shall be the Repricing Date;
 - v. the Purchase Price under the Repriced Transaction shall be such amount as shall, when multiplied by the Margin Ratio applicable to the Original Transaction, be equal to the Market Value of such Securities on the Repricing Date;
 - vi. the Repurchase Date, the Pricing Rate, the Margin Ratio and, subject as aforesaid, the other terms of the Repriced Transaction shall be identical to those of the Original Transaction;

- vii. the obligations of the parties with respect to the delivery of the Purchased Securities and the payment of the Purchase Price under the Repriced Transaction shall be set off against their obligations with respect to the delivery of Equivalent Securities and payment of the Repurchase Price under the Original Transaction and accordingly only a net cash sum shall be paid by one party to the other. Such net cash sum shall be paid within the period specified in sub-paragraph (g) above.
- 4.11. The adjustment of a Transaction (the "Original Transaction") under this sub-paragraph shall be effected by the parties agreeing that on the date on which the adjustment is to be made (the "Adjustment Date") the Original Transaction shall be terminated and they shall enter into a new Transaction (the "Replacement Transaction") in accordance with the following provisions -
- i. the Original Transaction shall be terminated on the Adjustment Date on such terms as the parties shall agree on or before the Adjustment Date;
 - ii. the Purchased Securities under the Replacement Transaction shall be such Securities as the parties shall agree on or before the Adjustment Date (being Securities the aggregate Market Value of which at the Adjustment Date is substantially equal to the Repurchase Price under the Original Transaction at the Adjustment Date multiplied by the Margin Ratio applicable to the Original Transaction);
 - iii. the Purchase Date under the Replacement Transaction shall be the Adjustment Date;
 - iv. the other terms of the Replacement Transaction shall be such as the parties shall agree on or before the Adjustment Date; and
 - v. the obligations of the parties with respect to payment and delivery of Securities on the Adjustment Date under the Original Transaction and the Replacement Transaction shall be settled in accordance with paragraph 6 within the minimum period specified in sub-paragraph 4.7 above.

5. Income Payments

- 5.1. Unless otherwise agreed -
- i. where the Term of a particular Transaction extends over an Income Payment Date in respect of any Securities subject to that Transaction, Buyer shall on the date such Income is paid by the issuer transfer to or credit to the account of Seller an amount equal to (and in the same currency as) the amount paid by the issuer;

- ii. where Margin Securities are transferred from one party ("the first party") to the other party ("the second party") and an Income Payment Date in respect of such Securities occurs before Equivalent Margin Securities are transferred by the second party to the first party, the second party shall on the date such Income is paid by the issuer transfer to or credit to the account of the first party an amount equal to (and in the same currency as) the amount paid by the issuer;

and for the avoidance of doubt, references in this paragraph to the amount of any Income paid by the issuer of any Securities shall be to an amount paid without any withholding or deduction for or on account of taxes or duties notwithstanding that a payment of such Income made in certain circumstances may be subject to such a withholding or deduction.

6. Payment and Transfer

- 6.1. Unless otherwise agreed, all money paid hereunder shall be in immediately available freely convertible funds of the relevant currency. All Securities to be transferred hereunder (i) shall be in suitable form for transfer and shall be accompanied by duly executed instruments of transfer or assignment in blank (where required for transfer) and such other documentation as the transferee may reasonably request, or (ii) shall be transferred through the book entry system of Bank of Zambia or (iii) shall be transferred through any other agreed securities clearance system or (iv) shall be transferred by any other method mutually acceptable to Seller and Buyer.
- 6.2. Unless otherwise agreed, all money payable by one party to the other in respect of any Transaction shall be paid free and clear of, and without withholding or deduction for, any taxes or duties of whatsoever nature imposed, levied, collected, withheld or assessed by any authority having power to tax, unless the withholding or deduction of such taxes or duties is required by law. In that event, unless otherwise agreed, the paying party shall pay such additional amounts as will result in the net amounts receivable by the other party (after taking account of such withholding or deduction) being equal to such amounts as would have been received by it had no such taxes or duties been required to be withheld or deducted.
- 6.3. Unless otherwise agreed in writing between the parties, under each Transaction transfer of Purchased Securities by Seller and payment of Purchase Price by Buyer against the transfer of such Purchased Securities shall be made simultaneously and transfer of Equivalent Securities by Buyer and payment of Repurchase Price payable by Seller against the transfer of such Equivalent Securities shall be made simultaneously.

- 6.4. Subject to and without prejudice to the provisions of sub-paragraph 6.3, either party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities and money waive in relation to any Transaction its rights under this Agreement to receive simultaneous transfer and/or payment provided that transfer and/or payment shall, notwithstanding such waiver, be made on the same day and provided also that no such waiver in respect of one Transaction shall affect or bind it in respect of any other Transaction.
- 6.5. The parties shall execute and deliver all necessary documents and take all necessary steps to procure that all right, title and interest in any Purchased Securities, any Equivalent Securities, any Margin Securities and any Equivalent Margin Securities shall pass to the party to which transfer is being made upon transfer of the same in accordance with this Agreement, free from all liens, claims, charges and encumbrances.
- 6.6. Notwithstanding the use of expressions such as "*Repurchase Date*", "*Repurchase Price*", "*margin*", "*Net Margin*", "*Margin Ratio*" and "*substitution*", which are used to reflect terminology used in the market for transactions of the kind provided for in this Agreement, all right, title and interest in and to Securities and money transferred or paid under this Agreement shall pass to the transferee upon transfer or payment, the obligation of the party receiving Purchased Securities or Margin Securities being an obligation to transfer Equivalent Securities or Equivalent Margin Securities.
- 6.7. Time shall be of the essence in this Agreement.
- 6.8. Subject to paragraph 10, all amounts in the same currency payable by each party to the other under any Transaction or otherwise under this Agreement on the same date shall be combined in a single calculation of a net sum payable by one party to the other and the obligation to pay that sum shall be the only obligation of either party in respect of those amounts.
- 6.9. Subject to paragraph 10, all Securities of the same issue, denomination, currency and series, transferable by each party to the other under any Transaction or hereunder on the same date shall be combined in a single calculation of a net quantity of Securities transferable by one party to the other and the obligation to transfer the net quantity of Securities shall be the only obligation of either party in respect of the Securities so transferable and receivable.
- 6.10. If the parties have specified in Annex I hereto that this paragraph 6.10 shall apply, each obligation of a party under this Agreement (other than an obligation arising under paragraph 10) is subject to the condition precedent that none of those events specified in paragraph 10.1 which are identified in Annex I hereto for the purposes of this paragraph 6.10 (being events which, upon the

serving of a Default Notice, would be an Event of Default with respect to the other party) shall have occurred and be continuing with respect to the other party.

7. Contractual Currency

- 7.1. All the payments made in respect of the Purchase Price or the Repurchase Price of any Transaction shall be made in the currency of the Purchase Price (the "Contractual Currency") save as provided in paragraph 10.3 (ii). Notwithstanding the foregoing, the payee of any money may, at its option, accept tender thereof in any other currency, provided, however, that, to the extent permitted by applicable law, the obligation of the payer to pay such money will be discharged only to the extent of the amount of the Contractual Currency that such payee may, consistent with normal banking procedures, purchase with such other currency (after deduction of any premium and costs of exchange) for delivery within the customary delivery period for spot transactions in respect of the relevant currency.
- 7.2. If for any reason the amount in the Contractual Currency received by a party, including amounts received after conversion of any recovery under any judgment or order expressed in a currency other than the Contractual Currency, falls short of the amount in the Contractual Currency due and payable, the party required to make the payment will, as a separate and independent obligation, to the extent permitted by applicable law, immediately transfer such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall.
- 7.3. If for any reason the amount in the Contractual Currency received by a party exceeds the amount of the Contractual Currency due and payable, the party receiving the transfer will refund promptly the amount of such excess.

8. Substitution

- 8.1. A Transaction may at any time between the Purchase Date and Repurchase Date, if Seller so requests and Buyer so agrees, be varied by the transfer by Buyer to Seller of Securities equivalent to the Purchased Securities, or to such of the Purchased Securities as shall be agreed, in exchange for the transfer by Seller to Buyer of other Securities of such amount and description as shall be agreed ("New Purchased Securities") (being Securities having a Market Value at the date of the variation at least equal to the Market Value of the Equivalent Securities transferred to Seller).
- 8.2. Any variation under sub-paragraph 8.1 above shall be effected, subject to sub-paragraph 6.4, by the simultaneous transfer of the Equivalent Securities and New Purchased Securities concerned.

- 8.3. A Transaction which is varied under sub-paragraph 8.1 above shall thereafter continue in effect as though the Purchased Securities under that Transaction consisted of or included the New Purchased Securities instead of the Securities in respect of which Equivalent Securities have been transferred to Seller.
- 8.4. Where either party has transferred Margin Securities to the other party it may at any time before Equivalent Margin Securities are transferred to it under paragraph 4 request the other party to transfer Equivalent Margin Securities to it in exchange for the transfer to the other party of new Margin Securities having a Market Value at the time of transfer at least equal to that of such Equivalent Margin Securities. If the other party agrees to the request, the exchange shall be effected, subject to paragraph 6.4, by the simultaneous transfer of the Equivalent Margin Securities and new Margin Securities concerned. Where either or both of such transfers is or are effected through a settlement system in circumstances which under the rules and procedures of that settlement system give rise to a payment by or for the account of one party to or for the account of the other party, the parties shall cause such payment or payments to be made outside that settlement system, for value the same day as the payments made through that settlement system, as shall ensure that the exchange of Equivalent Margin Securities and new Margin Securities effected under this sub-paragraph does not give rise to any net payment of cash by either party to the other.

9. Representations

Each party represents and warrants to the other that -

- 9.1. it is duly authorised to execute and deliver this Agreement, to enter into the Transactions contemplated hereunder and to perform its obligations hereunder and thereunder and has taken all necessary action to authorise such execution, delivery and performance;

 - iii. it understands the terms, conditions and risks of each Transaction and is willing to assume (financially and otherwise) those risks; and
- 9.8. at the time of transfer to the other party of any Securities it will have the full and unqualified right to make such transfer and that upon such transfer of Securities the other party will receive all right, title and interest in and to those Securities free of any lien, claim, charge or encumbrance.

On the date on which any Transaction is entered into pursuant hereto, and on each day on which Securities, Equivalent Securities, Margin Securities or Equivalent Margin Securities are to be transferred under any Transaction, Buyer and Seller shall each be deemed to repeat all the foregoing representations. For the avoidance of doubt and notwithstanding any arrangements which Seller or Buyer may have with any third party, each party will be liable as a principal for its obligations under this Agreement and each Transaction.

10. Events of Default

- i. Buyer fails to pay the Purchase Price upon the applicable Purchase Date or Seller fails to pay the Repurchase Price upon the applicable Repurchase Date, and the non-Defaulting Party serves a Default Notice on the Defaulting Party; or

- ii. if the parties have specified in Annex I hereto that this sub-paragraph shall apply, Seller fails to deliver Purchased Securities on the Purchase Date or Buyer fails to deliver Equivalent Securities on the Repurchase Date, and the non-Defaulting Party serves a Default Notice on the Defaulting Party; or
- iii. Seller or Buyer fails to pay when due any sum payable under sub-paragraph 10.7 or 10.8 below, and the non-Defaulting Party serves a Default Notice on the Defaulting Party; or
- iv. Seller or Buyer fails to comply with paragraph 4 and the non-Defaulting Party serves a Default Notice on the Defaulting Party; or
- v. Seller or Buyer fails to comply with paragraph 5 and the non-Defaulting Party serves a Default Notice on the Defaulting Party; or
- vi. an Act of Insolvency occurs with respect to Seller or Buyer and (except in the case of an Act of Insolvency which is the presentation of a petition for winding-up or any analogous proceeding or the appointment of a liquidator or analogous officer of the Defaulting Party in which case no such notice shall be required) the non-Defaulting Party serves a Default Notice on the Defaulting Party; or
- vii. any representations made by Seller or Buyer are incorrect or untrue in any material respect when made or repeated or deemed to have been made or repeated, and the non-Defaulting Party serves a Default Notice on the Defaulting Party; or
- viii. Seller or Buyer admits to the other that it is unable to, or intends not to, perform any of its obligations hereunder and/or in respect of any Transaction and the non-Defaulting Party serves a Default Notice on the Defaulting Party; or
- ix. Seller or Buyer is suspended or expelled from membership of or participation in any securities exchange or association or other self regulating organisation, or suspended from dealing in securities by any government agency, or any of the assets of either Seller or Buyer or the assets of investors held by, or to the order of, Seller or Buyer are transferred or ordered to be transferred to a trustee by a regulatory authority pursuant to any securities regulating legislation and the non-Defaulting Party serves a Default Notice on the Defaulting Party; or

- x. Seller or Buyer fails to perform any other of its obligations hereunder and does not remedy such failure within 30 days after notice is given by the non- Defaulting Party requiring it to do so, and the non-Defaulting Party serves a Default Notice on the Defaulting Party;

then sub-paragraphs 10.2 to 10.6 below shall apply.

- 10.2. The Repurchase Date for each Transaction hereunder shall be deemed immediately to occur and, subject to the following provisions, all Cash Margin (including interest accrued) shall be immediately repayable and Equivalent Margin Securities shall be immediately deliverable (and so that, where this sub-paragraph applies, performance of the respective obligations of the parties with respect to the delivery of Securities, the payment of the Repurchase Prices for any Equivalent Securities and the repayment of any Cash Margin shall be effected only in accordance with the provisions of sub-paragraph 10.3 below).
- 10.3. (i) The Default Market Values of the Equivalent Securities and any Equivalent Margin Securities to be transferred, the amount of any Cash Margin (including the amount of interest accrued) to be transferred and the Repurchase Prices to be paid by each party shall be established by the non-Defaulting Party for all Transactions as at the Repurchase Date; and

(ii) on the basis of the sums so established, an account shall be taken (as at the Repurchase Date) of what is due from each party to the other under this Agreement (on the basis that each party's claim against the other in respect of the transfer to it of Equivalent Securities or Equivalent Margin Securities under this Agreement equals the Default Market Value therefor) and the sums due from one party shall be set off against the sums due from the other and only the balance of the account shall be payable (by the party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be due and payable on the next following Business Day. For the purposes of this calculation, all sums not denominated in the Base Currency shall be converted into the Base Currency on the relevant date at the Spot Rate prevailing at the relevant time.
- 10.4. For the purposes of this Agreement, the "Default Market Value" of any Equivalent Securities or Equivalent Margin Securities shall be determined in accordance with sub-paragraph 10.5 below, and for this purpose -
 - i. the "Appropriate Market" means, in relation to Securities of any description, the market which is the most appropriate market for Securities of that description, as determined by the non-Defaulting Party;

- ii. the "Default Valuation Time" means, in relation to an Event of Default, the close of business in the Appropriate Market on the fifth dealing day after the day on which that Event of Default occurs or, where that Event of Default is the occurrence of an Act of Insolvency in respect of which under paragraph 10(a) no notice is required from the non-Defaulting Party in order for such event to constitute an Event of Default, the close of business on the fifth dealing day after the day on which the non-Defaulting Party first became aware of the occurrence of such Event of Default;
 - iii. "Deliverable Securities" means Equivalent Securities or Equivalent Margin Securities to be delivered by the Defaulting Party;
 - iv. "Net Value" means at any time, in relation to any Deliverable Securities or Receivable Securities, the amount which, in the reasonable opinion of the non-Defaulting Party, represents their fair market value, having regard to such pricing sources and methods (which may include, without limitation, available prices for Securities with similar maturities, terms and credit characteristics as the relevant Equivalent Securities or Equivalent Margin Securities) as the non-Defaulting Party considers appropriate, less, in the case of Receivable Securities, or plus, in the case of Deliverable Securities, all Transaction Costs which would be incurred in connection with the purchase or sale of such Securities;
 - v. "Receivable Securities" means Equivalent Securities or Equivalent Margin Securities to be delivered to the Defaulting Party; and
 - vi. "Transaction Costs" in relation to any transaction contemplated in sub-paragraph 10.4 or 10.5 means the reasonable costs, commission, fees and expenses (including any mark-up or mark-down) that would be incurred in connection with the purchase of Deliverable Securities or sale of Receivable Securities, calculated on the assumption that the aggregate thereof is the least that could reasonably be expected to be paid in order to carry out the transaction;
- 10.5.
- i. If between the occurrence of the relevant Event of Default and the Default Valuation Time the non-Defaulting Party gives to the Defaulting Party a written notice (a "Default Valuation Notice") which –
 - a. states that, since the occurrence of the relevant Event of Default, the non-Defaulting Party has sold, in the case of Receivable Securities, or purchased, in the case of Deliverable Securities, Securities which form part of the same issue and are of an identical type and description as those Equivalent Securities or

Equivalent Margin Securities, and that the non-Defaulting Party elects to treat as the Default Market Value -

1. in the case of Receivable Securities, the net proceeds of such sale after deducting all reasonable costs, fees and expenses incurred in connection therewith (provided that, where the Securities sold are not identical in amount to the Equivalent Securities or Equivalent Margin Securities, the non-Defaulting Party may either (A) elect to treat such net proceeds of sale divided by the amount of Securities sold and multiplied by the amount of the Equivalent Securities or Equivalent Margin Securities as the Default Market Value or (B) elect to treat such net proceeds of sale of the Equivalent Securities or Equivalent Margin Securities actually sold as the Default Market Value of that proportion of the Equivalent Securities or Equivalent Margin Securities, and, in the case of (B), the Default Market Value of the balance of the Equivalent Securities or Equivalent Margin Securities shall be determined separately in accordance with the provisions of this paragraph 10.5 and accordingly may be the subject of a separate notice (or notices) under this paragraph 10.5 (i); or
2. in the case of Deliverable Securities, the aggregate cost of such purchase, including all reasonable costs, fees and expenses incurred in connection therewith (provided that, where the Securities purchased are not identical in amount to the Equivalent Securities or Equivalent Margin Securities, the non-Defaulting Party may either (A) elect to treat such aggregate cost divided by the amount of Securities sold and multiplied by the amount of the Equivalent Securities or Equivalent Margin Securities as the Default Market Value or (B) elect to treat the aggregate cost of purchasing the Equivalent Securities or Equivalent Margin Securities actually purchased as the Default Market Value of that proportion of the Equivalent Securities or Equivalent Margin Securities, and, in the case of (B), the Default Market Value of the balance of the Equivalent Securities or Equivalent Margin Securities shall be determined separately in accordance with the provisions of this paragraph 10.5 and accordingly may be the subject of a separate notice (or notices) under this paragraph 10.5 (i);

- b. states that the non-Defaulting Party has received, in the case of Deliverable Securities, offer quotations or, in the case of Receivable Securities, bid quotations in respect of Securities of the relevant description from two or more market makers or regular dealers in the Appropriate Market in a commercially reasonable size (as determined by the non-Defaulting Party) and specifies -
1. the price or prices quoted by each of them for, in the case of Deliverable Securities, the sale by the relevant market marker or dealer of such Securities or, in the case of Receivable Securities, the purchase by the relevant market maker or dealer of such Securities;
 2. the Transaction Costs which would be incurred in connection with such a transaction; and
 3. that the non-Defaulting Party elects to treat the price so quoted (or, where more than one price is so quoted, the arithmetic mean of the prices so quoted), after deducting, in the case of Receivable Securities, or adding, in the case of Deliverable Securities, such Transaction Costs, as the Default Market Value of the relevant Equivalent Securities or Equivalent Margin Securities; or
- c. states -
1. that either (A) acting in good faith, the non-Defaulting Party has endeavoured but been unable to sell or purchase Securities in accordance with sub-paragraph (i)(a) above or to obtain quotations in accordance with sub-paragraph (i)(b) above (or both) or (B) the non-Defaulting Party has determined that it would not be commercially reasonable to obtain such quotations, or that it would not be commercially reasonable to use any quotations which it has obtained under sub-paragraph (i)(b) above; and
 2. that the non-Defaulting Party has determined the Net Value of the relevant Equivalent Securities or Equivalent Margin Securities (which shall be specified) and that the non- Defaulting Party elects to treat such Net Value as the Default Market Value of the relevant Equivalent Securities or Equivalent Margin Securities,

then the Default Market Value of the relevant Equivalent Securities or Equivalent Margin Securities shall be an amount equal to the Default Market Value specified in accordance with (a), (b)(3) or, as the case may be, (c)(2) above.

- ii. If by the Default Valuation Time the non-Defaulting Party has not given a Default Valuation Notice, the Default Market Value of the relevant Equivalent Securities or Equivalent Margin Securities shall be an amount equal to their Net Value at the Default Valuation Time; provided that, if at the Default Valuation Time the non-Defaulting Party reasonably determines that, owing to circumstances affecting the market in the Equivalent Securities or Equivalent Margin Securities in question, it is not possible for the non-Defaulting Party to determine a Net Value of such Equivalent Securities or Equivalent Margin Securities which is commercially reasonable, the Default Market Value of such Equivalent Securities or Equivalent Margin Securities shall be an amount equal to their Net Value as determined by the non-Defaulting Party as soon as reasonably practicable after the Default Valuation Time.
- 10.6. The Defaulting Party shall be liable to the non-Defaulting Party for the amount of all reasonable legal and other professional expenses incurred by the non-Defaulting Party in connection with or as a consequence of an Event of Default, together with interest thereon at Zambian interbank average rate (ZAIR) or, in the case of an expense attributable to a particular Transaction, the Pricing Rate for the relevant Transaction if that Pricing Rate is greater than ZIAR.
- 10.7. If Seller fails to deliver Purchased Securities to Buyer on the applicable Purchase Date Buyer may -
- i. if it has paid the Purchase Price to Seller, require Seller immediately to repay the sum so paid;
 - ii. if Buyer has a Transaction Exposure to Seller in respect of the relevant Transaction, require Seller from time to time to pay Cash Margin at least equal to such Transaction Exposure;
 - iii. at any time while such failure continues, terminate the Transaction by giving written notice to Seller. On such termination the obligations of Seller and Buyer with respect to delivery of Purchased Securities and Equivalent Securities shall terminate and Seller shall pay to Buyer an amount equal to the excess of the Repurchase Price at the date of Termination over the Purchase Price.
- 10.8. If Buyer fails to deliver Equivalent Securities to Seller on the applicable Repurchase Date Seller may -

- i. if it has paid the Repurchase Price to Buyer, require Buyer immediately to repay the sum so paid;
 - ii. if Seller has a Transaction Exposure to Buyer in respect of the relevant Transaction, require Buyer from time to time to pay Cash Margin at least equal to such Transaction Exposure;
 - iii. at any time while such failure continues, by written notice to Buyer declare that that Transaction (but only that Transaction) shall be terminated immediately in accordance with sub-paragraph 10.3 above (disregarding for this purpose references in that sub-paragraph to transfer of Cash Margin and delivery of Equivalent Margin Securities and as if references to the Repurchase Date were to the date on which notice was given under this sub- paragraph).
- 10.9. The provisions of this Agreement constitute a complete statement of the remedies available to each party in respect of any Event of Default.
- 10.10. Subject to paragraph 10.11, neither party may claim any sum by way of consequential loss or damage in the event of a failure by the other party to perform any of its obligations under this Agreement.
- 10.11.
- i. Subject to sub-paragraph (ii) below, if as a result of a Transaction terminating before its agreed Repurchase Date under paragraphs 10.2, 10.7(iii) or 10.8(iii), the non-Defaulting Party, in the case of paragraph 10.2, Buyer, in the case of paragraph 10.7(iii), or Seller, in the case of paragraph 10.8(iii), (in each case the "first party") incurs any loss or expense in entering into replacement transactions, the other party shall be required to pay to the first party the amount determined by the first party in good faith to be equal to the loss or expense incurred in connection with such replacement transactions (including all fees, costs and other expenses) less the amount of any profit or gain made by that party in connection with such replacement transactions; provided that if that calculation results in a negative number, an amount equal to that number shall be payable by the first party to the other party.
 - ii. If the first party reasonably decides, instead of entering into such replacement transactions, to replace or unwind any hedging transactions which the first party entered into in connection with the Transaction so terminating, or to enter into any replacement hedging transactions, the other party shall be required to pay to the first party the amount determined by the first party in good faith to be equal to the loss or expense incurred in connection with entering into such replacement or unwinding (including all fees, costs and other expenses) less the amount of any profit or gain made by that party in connection with such replacement or unwinding; provided that if that calculation results in a negative number, an amount equal to that number shall be payable by the first party to the other party.

10.12. Each party shall immediately notify the other if an Event of Default, or an event which, upon the serving of a Default Notice, would be an Event of Default, occurs in relation to it.

11. Tax Event

11.1. This paragraph shall apply if either party notifies the other that -

- i. any action taken by a taxing authority or brought in a court of competent jurisdiction (regardless of whether such action is taken or brought with respect to a party to this Agreement); or
- ii. a change in the fiscal or regulatory regime (including, but not limited to, a change in law or in the general interpretation of law but excluding any change in any rate of tax),

has or will, in the notifying party's reasonable opinion, have a material adverse effect on that party in the context of a Transaction.

11.2. If so requested by the other party, the notifying party will furnish the other with an opinion of a suitably qualified adviser that an event referred to in sub-paragraph 11.1(i) or (ii) above has occurred and affects the notifying party.

11.3. Where this paragraph applies, the party giving the notice referred to in sub-paragraph 11.1 may, subject to sub-paragraph 11.4 below, terminate the Transaction with effect from a date specified in the notice, not being earlier (unless so agreed by the other party) than 30 days after the date of the notice, by nominating that date as the Repurchase Date.

11.4. If the party receiving the notice referred to in sub-paragraph 11.1 so elects, it may override that notice by giving a counter-notice to the other party. If a counter-notice is given, the party which gives the counter-notice will be deemed to have agreed to indemnify the other party against the adverse effect referred to in sub-paragraph 11.1 so far as relates to the relevant Transaction and the original Repurchase Date will continue to apply.

11.5. Where a Transaction is terminated as described in this paragraph, the party which has given the notice to terminate shall indemnify the other party against any reasonable legal and other professional expenses incurred by the other party by reason of the termination, but the other party may not claim any sum by way of consequential loss or damage in respect of a termination in accordance with this paragraph.

- 11.6. This paragraph is without prejudice to paragraph 6.2 (obligation to pay additional amounts if withholding or deduction required); but an obligation to pay such additional amounts may, where appropriate, be a circumstance which causes this paragraph to apply.

12. Interest

- 12.1. To the extent permitted by applicable law, if any sum of money payable hereunder or under any Transaction is not paid when due, interest shall accrue on the unpaid sum as a separate debt at the greater of the Pricing Rate for the Transaction to which such sum relates (where such sum is referable to a Transaction) and ZIAR on a 365 day basis, for the actual number of days during the period from and including the date on which payment was due to, but excluding, the date of payment.

13. Single Agreement

- 13.1. Each party acknowledges that, and has entered into this Agreement and will enter into each Transaction hereunder in consideration of and in reliance upon the fact that all Transactions hereunder constitute a single business and contractual relationship and are made in consideration of each other. Accordingly, each party agrees (i) to perform all of its obligations in respect of each Transaction hereunder, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Transactions hereunder, and (ii) that payments, deliveries and other transfers made by either of them in respect of any Transaction shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Transactions hereunder.

14. Notices and Other Communications

- 14.1. Any notice or other communication to be given under this Agreement -
- i. shall be in the English language, and except where expressly otherwise provided in this Agreement, shall be in writing;
 - ii. may be given in any manner described in sub-paragraphs 14.2 and 14.3 below;
 - iii. shall be sent to the party to whom it is to be given at the address or number, or in accordance with the electronic messaging details, set out in Annex I hereto.
- 14.2. Subject to sub-paragraph 14.3 below, any such notice or other communication shall be effective –

- i. if in writing and delivered in person or by courier, at the time when it is delivered;
- ii. if sent by telex, at the time when the recipient's answerback is received;
- iii. if sent by facsimile transmission, at the time when the transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- iv. if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), at the time when that mail is delivered or its delivery is attempted;
- v. if sent by electronic messaging system, at the time that electronic message is received;

except that any notice or communication which is received, or delivery of which is attempted, after close of business on the date of receipt or attempted delivery or on a day which is not a day on which commercial banks are open for business in the place where that notice or other communication is to be given shall be treated as given at the opening of business on the next following day which is such a day.

14.3. If –

- i. there occurs in relation to either party an event which, upon the service of a Default Notice, would be an Event of Default; and
- ii. the non-Defaulting Party, having made all practicable efforts to do so, including having attempted to use at least two of the methods specified in sub-paragraph 14.2(ii), (iii) or (v), has been unable to serve a Default Notice by one of the methods specified in those sub-paragraphs (or such of those methods as are normally used by the non-Defaulting Party when communicating with the Defaulting Party),

the non-Defaulting Party may sign a written notice (a "Special Default Notice") which -

- a. specifies the relevant event referred to in paragraph 10.1 which has occurred in relation to the Defaulting Party;
- b. states that the non-Defaulting Party, having made all practicable efforts to do so, including having attempted to use at least two of the methods specified in sub-

paragraph 14.2(ii), (iii) or (v), has been unable to serve a Default Notice by one of the methods specified in those sub-paragraphs (or such of those methods as are normally used by the non-Defaulting Party when communicating with the Defaulting Party);

- c. specifies the date on which, and the time at which, the Special Default Notice is signed by the non-Defaulting Party; and
- d. states that the event specified in accordance with sub-paragraph (a) above shall be treated as an Event of Default with effect from the date and time so specified.

On the signature of a Special Default Notice the relevant event shall be treated with effect from the date and time so specified as an Event of Default in relation to the Defaulting Party, and accordingly references in paragraph 10 to a Default Notice shall be treated as including a Special Default Notice. A Special Default Notice shall be given to the Defaulting Party as soon as practicable after it is signed.

- 14.4. Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

15. Entire Agreement; Severability

- 15.1. This Agreement shall supersede any existing agreements between the parties containing general terms and conditions for Transactions. Each provision and agreement herein shall be treated as separate from any other provision or agreement herein and shall be enforceable notwithstanding the unenforceability of any such other provision or agreement.

16. Non-assignability; Termination

- 16.1. Subject to sub-paragraph 16.2 below, neither party may assign, charge or otherwise deal with (including without limitation any dealing with any interest in or the creation of any interest in) its rights or obligations under this Agreement or under any Transaction without the prior written consent of the other party. Subject to the foregoing, this Agreement and any Transactions shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns.

- 16.2. Sub-paragraph 16.1 above shall not preclude a party from assigning, charging or otherwise dealing with all or any part of its interest in any sum payable to it under paragraph 10.3 or 10.6 above.
- 16.3. Either party may terminate this Agreement by giving written notice to the other, except that this Agreement shall, notwithstanding such notice, remain applicable to any Transactions then outstanding.
- 16.4. All remedies hereunder shall survive Termination in respect of the relevant Transaction and termination of this Agreement.
- 16.5. The participation of any additional institution shall not have the effect of altering any term of the Agreement or any Transaction, nor give a party the right unilaterally to alter or terminate the Agreement or any Transaction.

17. Governing Law

- 17.1. This Agreement shall be governed by and construed in accordance with the laws of Zambia. Buyer and Seller hereby irrevocably submit for all purposes of or in connection with this Agreement and each Transaction to the jurisdiction of the Courts of Zambia.

Party A hereby appoints the person identified in Annex I hereto as its agent to receive on its behalf service of process in such courts. If such agent ceases to be its agent, Party A shall promptly appoint, and notify Party B of the identity of, a new agent in Zambia.

Party B hereby appoints the person identified in Annex I hereto as its agent to receive on its behalf service of process in such courts. If such agent ceases to be its agent, Party B shall promptly appoint, and notify Party A of the identity of, a new agent in Zambia.

Each party shall deliver to the other, within 30 days of the date of this Agreement in the case of the appointment of a person identified in Annex I or of the date of the appointment of the relevant agent in any other case, evidence of the acceptance by the agent appointed by it pursuant to this paragraph of such appointment.

Nothing in this paragraph shall limit the right of any party to take proceedings in the courts of any other country of competent jurisdiction.

18. No Waivers, etc.

18.1. No express or implied waiver of any Event of Default by either party shall constitute a waiver of any other Event of Default and no exercise of any remedy hereunder by any party shall constitute a waiver of its right to exercise any other remedy hereunder. No modification or waiver of any provision of this Agreement and no consent by any party to a departure herefrom shall be effective unless and until such modification, waiver or consent shall be in writing and duly executed by both of the parties hereto. Without limitation on any of the foregoing, the failure to give a notice pursuant to paragraph 4.1 hereof will not constitute a waiver of any right to do so at a later date.

19. Waiver of Immunity

19.1. Each party hereto hereby waives, to the fullest extent permitted by applicable law, all immunity (whether on the basis of sovereignty or otherwise) from jurisdiction, attachment (both before and after judgment) and execution to which it might otherwise be entitled in any action or proceeding in the Courts of Zambia or of any other country or jurisdiction, relating in any way to this Agreement or any Transaction, and agrees that it will not raise, claim or cause to be pleaded any such immunity at or in respect of any such action or proceeding.

20. Recording

20.1. The parties agree that each may electronically record all telephone conversations between them.

21. Enforcement

21.1. This agreement shall be enforced by the appropriate supervisory and regulatory authorities and will be governed in accordance with the laws of Zambia.

This Annex constitutes an Annex to the Global Master Repurchase Agreement dated _____ between and (the "Agreement").

1. Scope and interpretation

- a) The parties have agreed that the Transactions to which this Agreement applies may include Agency Transactions.
- b) Subject to the following provisions of this Annex, either party may enter into Transactions as agent for a third person (a "Principal"), whether as custodian or investment manager or otherwise (a Transaction so entered into being an "Agency Transaction"). In this Annex the party entering into an Agency Transaction as agent is referred to as the "Agent" and the other party is referred to as the "other party".
- c) In relation to Agency Transactions, the Agreement shall be construed as if it had been amended and supplemented as set out in paragraphs 2 to 5 of this Annex.
- d) [(d) The parties agree that either party may enter into an Agency Transaction on behalf of more than one Principal and accordingly the addendum hereto for multiple principal transactions shall apply.]*

2. Initiation; Confirmation

- (a) A party may enter into an Agency Transaction if, but only if -
 - (i) it specifies that Transaction as an Agency Transaction at the time when it enters into it and in the Confirmation;
 - (ii) it enters into that Transaction on behalf of a single Principal whose identity is disclosed to the other party (whether by name or by reference to a code or identifier which the parties have agreed will be used to refer to a specified Principal) at the time when it enters into the Transaction; and
 - (iii) it has at the time when the Transaction is entered into actual authority to enter into the Transaction on behalf of that Principal and to perform on behalf of that Principal all of that Principal's obligations under the Agreement.
- (b) A transaction shall not be entered into under the Agreement and this Annex if both parties specify that they propose to enter into that transaction as an agent.

3. Notification

* Delete as appropriate

Each party undertakes that, if it enters as agent into an Agency Transaction, forthwith upon becoming aware -

- (i) of any event which constitutes an Event of Default with respect to the relevant Principal; or
- (ii) of any breach of any of the warranties given in paragraph 5(c) below or of any event or circumstance which has the result that any such warranty would be untrue if repeated by reference to the current facts;

it will inform the other party of that fact and will, if so required by the other party, furnish the other party with such additional information as the other party may reasonably request.

4. Separate agreement

- a) Each Agency Transaction shall be a transaction between the relevant Principal and the other party and no person other than the relevant Principal and the other party shall be a party to or have any rights or obligations under an Agency Transaction. Without limiting the foregoing, the Agent shall not be liable as principal for the performance of an Agency Transaction, but this is without prejudice to any liability of the Agent under any other provision of this Annex.
- b) All the provisions of the Agreement shall apply separately as between the other party and each Principal for whom the Agent has entered into an Agency Transaction or Agency Transactions as if each such Principal were a party to a separate agreement with the other party in all respects identical with the Agreement as supplemented by the provisions of this Annex other than this paragraph, but with the following additions and modifications -
 - (i) if there occurs in relation to the Agent an Event of Default or an event which would constitute an Event of Default if the other party served a Default Notice or other written notice under any sub-paragraph of paragraph 10 of the Agreement, the other party shall be entitled by giving written notice to the Principal (which notice shall be validly given if given to the Agent in accordance with paragraph 14 of the Agreement) to declare that by reason of that event an Event of Default is to be treated as occurring in relation to the Principal. If the other party gives such a notice then an Event of Default shall be treated as occurring in relation to the Principal at the time when the notice is deemed to be given in accordance with paragraph 14 of the Agreement;

- (ii) if the Principal is neither incorporated nor has established a place of business in Great Britain, the Principal shall for the purposes of paragraph 17 of the Agreement as so applicable be deemed to have appointed as its agent to receive on its behalf service of process in the Courts of England the Agent, or if the Agent is neither incorporated nor has established a place of business in the United Kingdom, the person appointed by the Agent under paragraph 17 of the Agreement, or such other person as the Principal may from time to time specify in a written notice given to the other party.
- c) The Agent shall do all such things and provide the other party with all such information as may be necessary to identify any Transaction Exposure which may arise in respect of any Principal.
- d) The foregoing provisions do not affect the operation of the Agreement as between the other party and the Agent in respect of any Transactions into which the Agent may enter on its own account as a principal.

5. Representations and warranties

- (a) Paragraph 9(b) of the Agreement shall be deleted and replaced by the following:
- (b) "it will engage in this Agreement and the Transactions contemplated hereunder as principal or, subject to and in accordance with the terms of the Agency Annex hereto, as agent and the conditions referred to in the Agency Annex hereto will be fulfilled in respect of each Transaction into which it enters as an agent;"
- (c) At the beginning of the last sentence of paragraph 9 of the Agreement there shall be added the words "Subject to the Agency Annex hereto,".
- (d) Each party warrants to the other that it will, on every occasion on which it enters or purports to enter into a transaction as an Agency Transaction, be duly authorised to enter into that transaction on behalf of the person whom it specifies as the Principal in respect of that transaction and to perform on behalf of that person all the obligations of that person under the Agreement.

Addendum to Agency Annex for multiple principal transactions

1. Scope

This addendum applies where a party wishes to enter into an Agency Transaction on behalf of more than one Principal. The Agency Annex shall apply to such a Transaction subject to the modifications and additional terms and conditions contained in paragraphs 2 to 7 below.

2. Interpretation

(a) In this addendum –

- (i) a party has a “Net Transaction Exposure” in respect of the other party if the aggregate of all the first party’s Transaction Exposures exceeds the aggregate of all the other party’s Transaction Exposures; and the amount of the Net Transaction Exposure is the amount of the excess. For this purpose, amounts not denominated in the Base Currency shall be converted into the Base Currency at the Spot Rate prevailing at the relevant time;
- (ii) “Pooled Principal” has the meaning given in paragraph 6(a) below; and
- (iii) “Pooled Transaction” has the meaning given in paragraph 6(a) below.

3. Modifications to the Agency Annex

(a) Paragraph 2(a)(ii) of the Agency Annex is deleted and replaced by the following –

“it enters into that Transaction on behalf of one or more Principals and at or before the time when it enters into the Transaction it discloses to the other party the identity and the jurisdiction of incorporation, organisation or establishment of each such Principal (and such disclosure may be made either directly or by reference to a code or identifier which the parties have agreed will be used to refer to a specified Principal);”.

(b) Paragraph 2(a)(iii) of the Agency Annex is deleted and replaced by the following –

“it has at the time when the Transaction is entered into actual authority to enter into the Transaction on behalf of each Principal and to perform on behalf of each Principal all of that Principal’s obligations under the Agreement”.

4. Allocation of Agency Transactions

- a) The Agent undertakes that if, at the time of entering into an Agency Transaction, the Agent has not allocated the Transaction to a Principal, it will allocate the Transaction before the Purchase Date for that Transaction either to a single Principal or to several Principals, each of whom shall be responsible for only that part of the Transaction which has been allocated to it. Promptly following such allocation, the Agent shall notify the other party of the Principal or Principals (whether by name or reference to a code or identifier which the parties have agreed will be used to refer to a specified Principal) to which that Transaction or part of that Transaction has been allocated.

- b) Upon allocation of a Transaction in accordance with sub-paragraph (a) above or otherwise, with effect from the date on which the Transaction was entered into –
 - (i) where the allocation is to a single Principal, the Transaction shall be deemed to have been entered into between the other party and that Principal; and
 - (ii) where the allocation is to two or more Principals, a separate Transaction shall be deemed to have been entered into between the other party and each such Principal with respect to the appropriate proportion of the Purchased Securities.
- c) If the Agent shall fail to perform its obligations under sub-paragraph (a) above then for the purposes of assessing any damage suffered by the other party (but for no other purpose) it shall be assumed that, if the Transaction concerned (to the extent not allocated) had been allocated in accordance with that paragraph, all the terms of the Transaction would have been duly performed.

5. Allocation of margin

- (a) Unless the Agent expressly allocates a Margin Transfer before such time, the Agent shall, at the time of making or receiving that Margin Transfer, be deemed to have allocated any Margin Transfer in accordance with paragraph 6(c) below.
- (b) (i) If the Agent has made a Margin Transfer on behalf of more than one Pooled Principal, that Margin Transfer shall be allocated in proportion to the other party's Net Transaction Exposure in respect of each Pooled Principal at the Agent's close of business on the Business Day before the Margin Transfer is made; and
- (ii) if the Agent has received a Margin Transfer on behalf of more than one Pooled Principal, that Margin Transfer shall be allocated in proportion to each Pooled Principal's Net Transaction Exposure in respect of the other party at the Agent's close of business on the Business Day before the Margin Transfer is made.
- (c) Sub-paragraphs (a) and (b) shall not apply in respect of any Margin Transfer which is effected or deemed to have been effected under paragraph 6(c) below.

6. Pooled Principals: rebalancing of margin

- (a) Where the Agent acts on behalf of more than one Principal, the parties may agree that, as regards [all (but not some only)] outstanding Transactions with those Principals, or with such of those Principals as they may agree ("Pooled

Principals”, such Transactions being “Pooled Transactions”), any Margin Transfers are to be made on an aggregate net basis.

(b) Sub-paragraphs (c) to (e) below shall have effect for the purpose of ensuring that Margin is, so far as is practicable, transferred and held uniformly, as between the respective Pooled Principals, in respect of all Pooled Transactions for the time being outstanding under the Agreement.

(c) At or as soon as practicable after the Agent’s close of business on each Business Day on which Pooled Transactions are outstanding (or at such other times as the parties may from time to time agree) there shall be effected such Margin Transfers as shall ensure that immediately thereafter

–

(i) in respect of all Pooled Principals which have a Net Transaction Exposure to the other party, the amount of Cash Margin then repayable, and the amount of Equivalent Margin Securities of each description then deliverable, by each such Pooled Principal is equal to such proportion of the aggregate amount of Cash Margin repayable, or the aggregate amount of such Equivalent Margin Securities deliverable, by all such Pooled Principals as corresponds to the proportion which the Net Transaction Exposure of the relevant Pooled Principal bears to the aggregate of the Net Transaction Exposures of all Pooled Principals to the other party; and

(ii) in respect of all Pooled Principals to which the other party has a Net Transaction Exposure, the aggregate amount of Cash Margin then repayable, and the aggregate amount of Equivalent Margin Securities of each description then deliverable, to each such Pooled Principal is equal to such proportion of the aggregate amount of Cash Margin repayable, or the aggregate amount of such Equivalent Margin Securities deliverable, to all such Pooled Principals as corresponds to the proportion which the Net Transaction Exposure of the other party to the relevant Pooled Principal bears to the aggregate of the Net Transaction Exposures of the other party to all Pooled Principals.

(d) Margin Transfers effected under sub-paragraph (c) shall be effected (and if not so effected shall be deemed to have been so effected) by appropriations made by the Agent and shall be reflected by entries in accounting and other records maintained by the Agent. Accordingly, it shall not be necessary for payments of cash or deliveries of Securities to be made through any settlement system for the purpose of such Margin Transfers. Without limiting the generality of the foregoing, the Agent is hereby authorised and instructed by the other party to do all such things on behalf of the other party as may be necessary or expedient to effect and record the receipt on behalf of the other party of cash and Securities from, and the delivery on behalf of the other party of cash and Securities to, Pooled Principals in the course or for the purposes of any Margin Transfer effected under that sub-paragraph.

(e) Promptly following the Margin Transfers effected under sub-paragraph (c) above at the close of business on any Business Day, the Agent shall prepare a statement showing in respect of each Pooled Principal the amount of Cash Margin which has been paid, and the amount of Margin Securities and Equivalent Margin Securities of each description which have been transferred, by or to that Pooled Principal immediately after those Margin Transfers. If the other party so requests, the Agent shall promptly deliver to the other party a copy of the statement so prepared.

7. Warranties

(a) The Agent warrants to the other party that –

(i) all notifications provided to the other party under paragraph 4(a) above and all statements provided to the other party under paragraph 6(e) above shall be complete and accurate in all material respects;

(ii) at the time of allocating an Agency Transaction in accordance with paragraph 4(a) above, each Principal or Principals to whom the Agent has allocated that Transaction or any part of that Transaction is duly authorised to enter into the Transactions contemplated by this Agreement and to perform its obligations thereunder; and

(iii) at the time of allocating an Agency Transaction in accordance with paragraph 4(a) above, no Event of Default or event which would constitute an Event of Default with the service of a Default Notice or other written notice under any sub-paragraph of paragraph 10 of the Agreement has occurred in relation to any Principal or Principals to whom the Agent has allocated that Transaction or any part of that Transaction.
