ASSIGNMENT

Marble offers in writing to sell his Toyota Nadia to James at K30,000. James writes back saying that he accepts at the price specified by Marble. Although James duly posts the letter, it gets lost in the post. Marble is very angry and because she is in urgent need of the money, she sells the Toyota Nadia to Mwango. James is determined to sue Marble insisting that there was a legally binding contract between him and Marble.

Please advise James.
