

DEM 2414 ASSIGNMENT
SECOND TERM ASSIGNMENT

Examine the topic in your group carefully and then respond to the questions below.

The assignment is due on 9th November 2018.

-
1. Use the simple conceptual framework you have designed and hypotheses derived from it to operationally define the major concepts and variables in your hypotheses.
 2. Use these operational definitions as a basis for constructing a simple questionnaire not exceeding five (5) pages.

GOOD LUCK!
